

Applied Scholastics Overview of Statistics and Results 2009

- Applied Scholastics operates through **830 schools and study groups in 74 countries.**
- In 2003, Applied Scholastics International established a 100-acre teacher-training campus at Spanish Lake in St. Louis, Missouri. It is designed to train educators who, in turn, will pass on to others the L. Ron Hubbard technology on how to study. These have included principals, teachers and special education instructors from 40 nations and a wide variety of educational settings, including colleges and universities, public and private elementary and secondary schools, and community tutoring and literacy centers.
- Spanish Lake provides supplementary education through after-school tutoring programs in New Jersey, Ohio, Kansas, Texas, Tennessee, Georgia, Florida, Colorado and California.
- In all, since the campus opened in 2003, Spanish Lake alumni **have placed Study Technology in the hands of more than 28 million people.**
