### **Dianetics Film Honored in 32nd Telly Awards**

[LOS ANGELES, CALIFORNIA](#) • JUNE 22, 2011

*Golden Era Productions receives Telly Award for How to Use Dianetics film on DVD.*

*How to Use Dianetics* was honored Monday, June 13, with a Bronze Telly Award for Film or Video in the category of Religion and Spirituality. The film is a four-and-a-half-hour book on film of L. Ron Hubbard's seminal work, *Dianetics: The Modern Science of Mental Health*, the all-time best-selling book on the human mind.

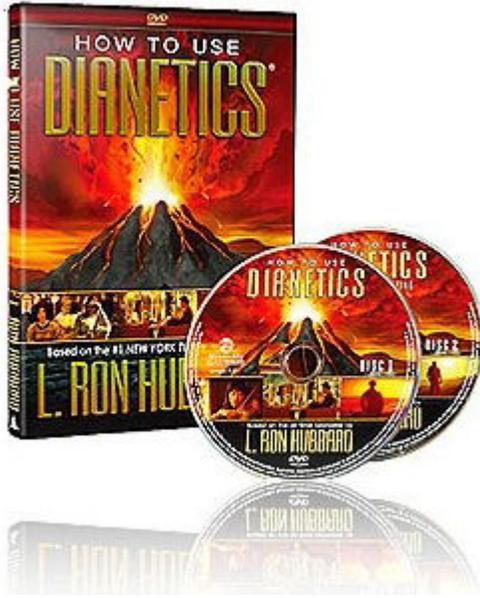

This is the second coveted industry award received this month by the film, produced by [Golden Era Productions](#), worldwide dissemination center for the entire Scientology religion, responsible for all film, video, television, Internet and international event production.

"*How to Use Dianetics* contains more than 10,000 computer-generated special effects graphics, illustrating every component of Dianetics," says

Catherine Fraser, Director of Public Affairs for Golden Era Productions. "It enables the viewer to *see* each of the concepts presented in the book. Great care was taken to stay true to the book and bring the bestseller to life, making it as realistic as possible, even down to filming a real black panther to illustrate one of the key concepts in the book. The step-by-step presentation makes it possible to master every Dianetics principle, one at a time. The film has already been translated into 16 languages, and we ultimately plan to expand this to more than 70 languages in all."

The [Telly Awards](#), established in 1978, has the mission of strengthening the visual arts community by inspiring, promoting, and supporting creativity. Today, the Telly is one of the most sought-after awards by industry leaders, from large international firms to local production companies and ad agencies. The 32nd Annual Telly Awards received over 11,000 entries from all 50 states and 5 continents.

On June 1, 2011, *How to Use Dianetics* was honored with an [Indie Fest Award of Excellence](#) for educational and instructional films. Golden Era Productions has earned 58 national and international awards for their films, documentaries, public service announcements and websites.
