Recognizes

Church of Scientology of Pasadena

As a recipient of a 2011 Historic Preservation Award

For

35 South Raymond Avenue

The members of the Historic Preservation Commission hereby recognize and salute your work on the above-listed property, which contributes to Pasadena's rich architectural heritage as a notable example of **rehabilitation**. This award is given in conjunction with the City's observance of National Historic Preservation Month to raise public awareness about the benefits of historic preservation. Rehabilitation projects return a property to a state of utility, through repair or alteration, which makes possible an efficient contemporary use while preserving those portions and features of the property which are significant to its historic, architectural, and cultural values.
